

£55m

of loans from  
local councils

£80m

of AHF  
funding

£530m

raised through  
public bonds

In 2017, a team of 16 dedicated specialist social housing lawyers at Anthony Collins Solicitors successfully completed 19 funding projects for housing association clients, bringing in a total of £1,224,080,000 new money into the sector. Highlights include:

£240m

raised by  
private  
placements

Working with housing associations across the UK, including the North West, the West Midlands, East Anglia, the South West, and London

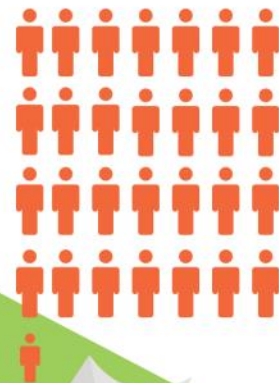

£1,224,080,000

IS ENOUGH TO BUILD

12,240  
new homes

28,643  
people

TO HOUSE

That's equivalent to 1 new town with a population equivalent to Stratford-upon-Avon

## Why are we so proud of this?

In 2017, Shelter reported that 300,000 people in the UK were homeless, that's 1 in every 200 of the UK population. Savills estimated that 96,400 households were in need of subsidised housing. We hoped we played a part in helping to solve this.
