

# KEY FINDINGS

**43,000 homes**  
put into charge, worth  
**£2.75BN**  
for more affordable housing

**£21M**  
compensation recovered for catastrophic events

**120**  
new charities registered

**130**  
at-risk children helped, worth over  
**£12M**

**£280M**  
new homes to address the housing crisis

**145**  
anti-social behaviour cases, worth over  
**£450k**

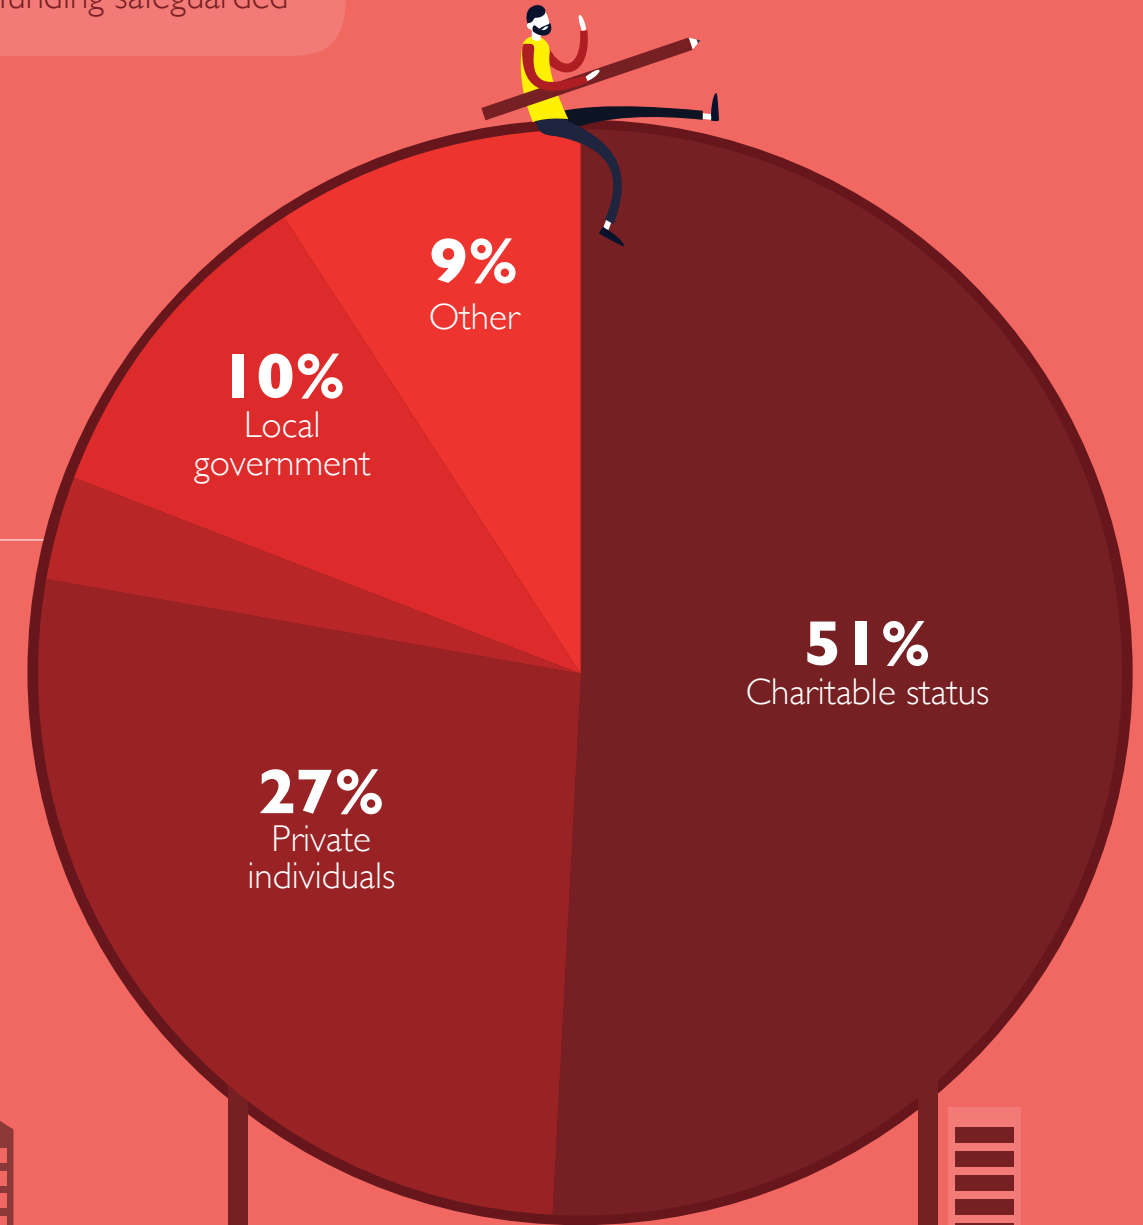

**£400M**  
social-care funding safeguarded

**£1.2BN**  
funding for housing associations

**91%** of our work in 2017/18 directly improved lives, communities and society.

This was for individuals to **improve their lives**, charitable organisations, not-for-profits, co-operative and community benefit societies or for local authorities.

Of the remaining **9%**, whilst commercial in status, many also had explicit social purpose aims.

**4,000 homes**  
taken out of fuel poverty
